PURPOSE OF NOTICE: To seek public comment on a draft permit from the Department of Environmental Quality for the withdrawal of groundwater in King William County, Virginia.

PUBLIC COMMENT PERIOD: December 31, 2013 to January 30, 2014

PERMIT NAME: Groundwater Withdrawal Permit issued by DEQ, under the authority of the State Water Control Board

APPLICANT NAME, ADDRESS AND PERMIT NUMBER: Town of West Point, 329 6th Street, P. O. Box 152, West Point, Virginia 23181; GW0005001

NAME AND LOCATION OF WATER WITHDRAWAL: Town of West Point Public Water System; their three wells are located on 6th.Street, Thompson Avenue and Chelsea Road within the town corporate limit in the southeastern portion of the King William County.

PROJECT DESCRIPTION: The Town of West Point has applied for re-issuance of a permit for the municipal Water System in King William County, Virginia. The permit would allow the applicant to withdraw an average of 506,849 gallons per day, which represents a reduction from the previously permitted amount of 610,006 gallons per day. The groundwater withdrawal will continue to support a potable water supply for a mixed community of industrial, commercial and residential groups. The proposed withdrawal will utilize the Upper and Middle Potomac Aquifers at a depth between 320 feet to 725 feet below the land surface at the withdrawal site. An aquifer is a body of rock or layer of sediment in the ground in which groundwater is stored and transported. DEQ has made a tentative decision to issue the permit.

AFFECTED AREA: The radial distance from the wells to where computer modeling predicts the aquifer may experience one foot of drawdown due to the withdrawal is illustrated on a map that can be viewed at <http://www.deq.virginia.gov/Programs/Water/WaterSupplyWaterQuantity/GroundwaterPermitting/PublicNotices.aspx>

HOW TO COMMENT AND/OR REQUEST A PUBLIC HEARING: DEQ accepts comments by e-mail, fax or postal mail. All comments must be in writing and be received by DEQ during the comment period.
