WQ-7	342, 350, 356, 362, 393, 410, 412, 430, 4336, 441, 442, 447, 449, 466, 468, 533, 572, 582, 607, 608, 620, 638	Treated Acres			
WQ-8	Subject to the specifications for underground fuel storage tank removal of DEQ	N/A			
WQ-11	500, 342, 362, 382, 390, 391, 393, 472, 612	N/A			
WQ-12	362, 558, 561, 342, 393, 412, 468, 606, 620	Roof Area - Acres			
NTD	No Till Drill	N/A			
Total Cost Share / Financial Assistance and Total Estimated Construction Costs					
* 1 Animal Unit = 1,000 lbs. of animal. For example, twelve 1,200 lb. steers = 14.4 Animal Units					

Section C - Farm and Project Information continued

Who is the conservation professional you are working with (Soil & Water Conservation District and/or USDA Natural Resources Conservation Service)?

Name   Agency

Phone   Email

Has a current Nutrient Management Plan (NMP) been developed for your farm?

Has an approved Conservation Plan containing the proposed practice(s) been developed for your farm?

Have you applied for Cost Share or Financial Assistance for any part of this project?

What is the total amount of Cost Share or Financial Assistance you expect to receive?

What is the total AgBMP loan amount that you are requesting?

Section D - Assurances and Certifications

I wish to be considered for assistance from the AgBMP Loan Program. By signing below, I agree to allow appropriate agency or program management personnel access to land under my control for the purposes of evaluating the proposed practices during the implementation of the loan assisted practices. I also agree to allow site photos to be taken and maintained by agency or program management personnel for the documentation of loan processing and project implementation/completion.

By signing below, I also grant the USDA-Farm Service Agency, USDA-Natural Resources Conservation Service, the local Soil & Water Conservation District, and/or the Virginia Department of Conservation and Recreation permission to share conservation documents and site photos related to the project associated with this loan application with the Virginia Department of Environmental Quality and the Virginia Resources Authority, including but not limited to: maps, cost-share estimates, contract documents, approval letters, conservation plans, nutrient management plans, designs, as-builts, etc. I understand this information will be available for Freedom of Information Act (FOIA) requests.
