PROCEDURES

You may participate in the conference call yourself or by counsel or other qualified representative pursuant to Va. Code § 2.2-4019. At this proceeding, the Responsible Party(ies) will be able to present factual data, argument, or proof in connection with this case. A presiding officer will hear the evidence in this case and prepare a case decision to resolve any issues presented with respect to delivery prohibition.

Based upon DEQ’s file and the record of this Proceeding, DEQ will be requesting that the Presiding Officer find that the referenced UST(s) at the Facility identified above are in violation of the Regulation and ineligible for delivery, deposit or acceptance of a regulated substance based on 9VAC25-580-370 of the Regulation.¹

Be advised that if you fail to attend or appear without good cause to an informal fact-finding proceeding conducted pursuant to Va. Code § 2.2-4019, the presiding officer may issue a default order regarding the subject of this notice. If a default order is issued, the presiding officer may conduct all further proceedings necessary to complete the adjudication and shall determine all issues in the adjudication, including those affecting you. Further, an order may be issued against you based on any admissions or other evidence without notice to you.

You will be notified of the results of the proceeding in accordance with Va. Code § 2.2-4019 and have the right to appeal any adverse decision in accordance with Va. Code § 2.2-4026.

RESOLUTION

Please contact the DEQ staff listed below if you wish to resolve the alleged violations prior to the Informal Fact Finding Proceeding.

¹ You may request to be heard on the Emergency, Rural or Remote Exception. 9VAC25-580-370(I) provides that if the Presiding Officer, acting on behalf of DEQ, determines that a delivery prohibition violation exists he or she can consider whether the threat posed by the violation is outweighed by the need for fuel from the UST(s) to meet an emergency situation or to meet the needs of a rural and remote area. If it is determined that such a condition outweighs the immediate risk of the violation, the Presiding Officer may defer imposition of delivery prohibition for up to 180 days. In every such case the director shall consider (i) issuing a special order under the authority of subdivision 10 of § 10.1-1186 of the Code of Virginia prescribing a prompt schedule for abating the violation and (ii) imposing a civil penalty.

If you complete the necessary work to resolve the potential violations prior to the date of the Proceeding, contact the above DEQ staff immediately so that compliance can be verified. You must provide a written report and appropriate documentation demonstrating that compliance has been achieved 3 business days prior to the Proceeding. If compliance is verified, the Proceeding will be cancelled and the UST(s) will be eligible for receipt of a regulated substance. If compliance is not verified, the Proceeding will go forward as scheduled.

You may waive your right to an Informal Fact Finding Proceeding by submitting a request for waiver prior to the date of the Proceeding. The request shall be in writing and signed by the owner of the UST and include a statement that no material facts are in dispute and that the owner waives his right to an Informal Fact Finding Proceeding and to any other administrative proceeding regarding the potential violations described herein.

FUTURE ACTIONS

If you waive your right to an Informal Fact Finding Proceeding or if these tanks are determined to be in violation of 9VAC25-580-10 *et seq.* and ineligible for delivery, a delivery prohibition notice ("red tag") will be placed on the fill port of the ineligible UST(s) and delivery, deposit or acceptance of a regulated substance into the UST(s) will be prohibited until such time as the UST(s) are returned to compliance. Please be advised that removal of the red tag is prohibited by 9VAC25-580-370 unless authorized, in writing, by DEQ. In addition, for each alleged violation, DEQ is authorized to pursue enforcement actions, seek civil penalties and seek compliance with its rules and regulations in any manner allowed by law.

Please contact the following DEQ staff within 5 business days of the date of this letter to confirm whether you and/or a representative will attend the Proceeding or with any questions related to this Proceeding.
