Watershed Cleanup Study for Washington County

**Tuesday, April 2, 6 p.m.
Greendale Elementary School
13092 McGuffie Rd. Abingdon, VA 24210**

The Virginia Department of Environmental Quality is hosting a public meeting to launch a cleanup study for Greendale Creek and an unnamed tributary to Fleenor Branch in Washington County. This study will help find the causes of sediment pollution to inform the next steps in the clean up.
