Watershed Cleanup Study for Washington County

**Tuesday, August 13, 6:30 p.m.
Virginia Department of Environmental
Quality**

355-A Deadmore St. Abingdon, VA 24210

The Virginia Department of Environmental Quality is hosting the final public meeting to discuss a cleanup study for Greendale Creek and an Unnamed Tributary to Fleenor Branch in Washington County. This study will help find the causes of sediment pollution to inform the next steps in the clean up.
