RE:

Responsible Party(ies)	F&D Properties, LLC
Facility Name	F&D Properties, LLC
Facility No.	7014263

Dear Sir/Madam:

The Virginia Department of Environmental Quality (“DEQ”) issued Notice(s) of Violation (the “NOV(s)”) on the following date(s) to the Responsible Party(ies) identified above for alleged violations observed at the facility identified above.

Proposed Consent Order and Notice of Informal Fact Finding Proceeding

NOV Date(s)	August 5, 2024
--------------------	----------------

The Responsible Party(ies) may resolve this matter quickly by entering into the enclosed Consent Order with DEQ within forty-five days from the date of this letter. If DEQ does not receive the signed Consent Order by that date, DEQ will proceed with conducting an Informal Fact Finding Proceeding as explained in Section II below.

I. PROPOSED CONSENT ORDER

DEQ wishes to resolve the alleged violations in the NOV by entering into a Consent Order with the Responsible Party(ies). DEQ's proposed Consent Order is enclosed for your review. The proposed Consent Order includes:

<input checked="" type="checkbox"/>	A civil charge in the amount of <u>\$12,717.50</u>
<input checked="" type="checkbox"/>	Injunctive relief (corrective actions) in Appendix A.

DEQ may reduce the civil charge listed above if you demonstrate inability to pay the proposed amount through submittal of a complete Ability to Pay Application. The Ability to Pay Application includes tax documentation and information regarding assets and liabilities. Please contact the Enforcement Specialist listed below within ten days from the date of this letter to request an Ability to Pay Application. DEQ will assume that you are able to pay the proposed civil charge unless you make a timely request for an Ability to Pay Application and submit a complete application in accordance with the schedule and directions provided.

If you agree with the terms of the proposed Consent Order, please sign and date the Consent Order and send it within forty-five days from the date of this letter to:

Enforcement Specialist	Michelle R. Callahan
Address	1111 East Main Street, Suite 1400 Richmond, Virginia 23219
Email	michelle.callahan@deq.virginia.gov

The order is subject to public notice and comment before it becomes final. A copy of the fully executed order will be returned to you for implementation upon signature on behalf of DEQ.

II. NOTICE OF INFORMAL FACT FINDING PROCEEDING

You are hereby notified that if DEQ does not receive the signed Consent Order within forty-five days from the date of this letter, an Informal Fact Finding Proceeding will be held via conference call at the

Proposed Consent Order and Notice of Informal Fact Finding Proceeding

date and time listed below. At the scheduled time, dial the Call-In Number listed below, and enter the Access Code listed below when requested.

Proceeding Date	November 13, 2024	Proceeding Time	10:00 a.m.
Call-In No.	(866)692-4530	Access Code	24387681569

If you have any difficulty accessing the conference call, please call:

Agency Advocate	Michelle R. Callahan
Phone No.	804-664-3893

The Informal Fact Finding Proceeding will be conducted pursuant to Va. Code §§ 2.2-4019 and 10.1-1186 to determine whether the Responsible Party(ies) violated the Virginia Code and Regulations as listed in the Findings of Fact and Conclusions of Law in Section C of the enclosed Consent Order. The Informal Fact Finding Proceeding will also determine the appropriateness of a civil penalty, injunctive relief, and/or delivery prohibition.

DEQ staff will request:

<input checked="" type="checkbox"/>	A Special Order requiring the Responsible Party(ies) to:	
	<input checked="" type="checkbox"/>	Pay the maximum civil penalty authorized by law, and pay attorneys' fees of 30% of the amount outstanding should DEQ have to refer collection of the civil penalty to the Department of Law.
	<input checked="" type="checkbox"/>	Comply with the Virginia Code and Regulations by completing the corrective actions listed in Appendix A of the enclosed proposed Consent Order.
<input checked="" type="checkbox"/>	A Delivery Prohibition Decision determining that Tanks <u>1, 2, 3, 4</u> at the Facility are in violation of the Underground Storage Tanks: Technical Standards and Corrective Action Requirements Regulation and/or the Petroleum Underground Storage Tank Financial Responsibility Requirements Regulation and ineligible for delivery, deposit, or acceptance of a regulated substance based on 9 VAC 25-580-370. ¹	

To ascertain the facts in this matter, DEQ staff may rely upon DEQ's inspection report(s) for the Facility, the NOV(s), the Form 7530-2 Notification for USTs for the Facility, other public documents in DEQ files, and the information presented by witnesses. DEQ staff will also rely on applicable statutes, regulations, and DEQ guidance. Full texts of statutes, regulations, and DEQ guidance can be obtained at <http://www.deq.virginia.gov/LawsRegulations.aspx> or <http://lis.virginia.gov/> (statutes and regulations) and <http://townhall.virginia.gov/L/GDocs.cfm> (DEQ guidance). Copies will be provided upon request.

¹ You may request to be heard on the Emergency, Rural or Remote Exemption. 9 VAC 25-580-370(I) provides that if the Presiding Officer determines that a delivery prohibition violation exists, he or she can consider whether the threat posed by the violation is outweighed by the need for fuel from the UST(s) to meet an emergency situation or to meet the needs of a rural and remote area. If it is determined that such a condition outweighs the immediate risk of the violation, the Presiding Officer may defer imposition of delivery prohibition for up to 180 days. In every such case, the director shall consider (i) issuing a special order under the authority of subdivision 10 of § 10.1-1186 of the Code of Virginia prescribing a prompt schedule for abating the violation and (ii) imposing a civil penalty.

Proposed Consent Order and Notice of Informal Fact Finding Proceeding

You may participate in the conference call yourself or by counsel or other qualified representative pursuant to Va. Code § 2.2-4019. At this proceeding, the Responsible Party(ies) will be able to present factual data, argument, or proof in connection with this case. A Presiding Officer will hear the evidence in this case and prepare a case decision to resolve any issues presented with respect to delivery prohibition. The Presiding Officer will prepare an independent Findings of Fact and Conclusions of Law and a draft Special Order for the Director’s review. Then the Director may issue a Special Order under Va. Code § 10.1-1186, which may include both injunctive relief and a civil penalty.

Be advised that if you fail to attend or appear without good cause to an informal fact-finding proceeding conducted pursuant to Va. Code § 2.2-4019, the Presiding Officer may issue a default order regarding the subject of this notice. If a default order is issued, the Presiding Officer may conduct all further proceedings necessary to complete the adjudication and shall determine all issues in the adjudication, including those affecting you. Further, an order may be issued against you based on any admissions or other evidence without notice to you.

You will be notified of the results of the proceeding in accordance with Va. Code § 2.2-4019 and have the right to appeal any adverse decision in accordance with Va. Code § 2.2-4026.

If you have any questions or require assistance, please contact the following DEQ staff who will represent DEQ at this proceeding. Please contact the Agency Advocate listed below at least ten days before the Proceeding Date to request accommodations under the Americans with Disabilities Act, translation services in a language other than English, or other reasonable accommodations to facilitate your meaningful participation in the proceeding.

The Responsible Party shall demonstrate that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. The Responsible Party shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Consent Order.
