

# SEPARATING STORM DEBRIS

Separate storm debris into the SIX CATEGORIES shown here.

## WHERE DO I PUT THE DEBRIS?

Residents should separate their debris and place it in their front yard, NOT on the curbside and NOT in the road. When cleanup crews are dispatched to your area to collect certain types of debris, you will be asked to move those piles to the edge of the road. Until then, roadway edges must remain clear while VDOT crews are clearing roads.

## HOW DO I GET HELP CLEANING UP?

If you need assistance cleaning up, call 844-965-1386 for help. Crisis Cleanup is a national organization that will connect you with volunteers from local relief organizations, community groups and faith communities who may be able to assist with muck outs, tree removal, roof tarping or debris removal.

All services are free, but service is not guaranteed due to the overwhelming need. The hotline closes Friday, October 25th, 2024.
