

NORFOLK DISTRICT REGULATORY BRANCH

POST-HURRICANE HELENE RECOVERY

- ❖ Some work in waters (e.g. rivers, streams, wetlands) may require a Department of the Army permit, pursuant to the Section 404 of the Clean Water Act and/or Section 10 of the Rivers and Harbors Act of 1899.
- ❖ Some work in waters in response to a natural disaster may qualify for [Nationwide Permit 3 – Maintenance](#).
- ❖ Some work in waters may also be exempt from the permitting requirements of Section 404 of the Clean Water Act, [33 CFR 323.4\(a\)\(2\)](#). [Note: these exemptions do not apply to work conducted in waters subject to the Rivers and Harbors Act requirements.]

If you need assistance in determining if a permit is required and/or need documentation from the U.S. Army Corps of Engineers to support a FEMA financial assistance request and are located in one of the Counties or Cities listed below, please contact the corresponding Regulatory Point of Contact.

If you are located in an area of the Commonwealth that is NOT listed below or have general questions, please call our Regulator-of-the-Day at 757-201-7652; voice mail messages left at this number will be promptly forwarded to the appropriate Regulatory Project Manager.
